February 19, 2010

An act to add Section 16523 to the Welfare and Institutions Code, relating to foster youth.

LEGISLATIVE COUNSEL'S DIGEST

AB 2342, as introduced, Evans. Foster youth: outreach programs.

Existing law provides for child welfare services, which are public social services directed toward, among other purposes, protecting and promoting the welfare of all children, including those in foster care placement.

This bill would require the State Department of Social Services to develop a resource guide for foster youth that outlines available statewide programs and services, and the eligibility standards for those programs and services, as specified. This bill would require the department to make the resource guide available on its Internet Web site, in addition to a printed format. This bill would require the department to seek public and private grants to fund the development and distribution of the resource guide.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
